### **Weekend Package Price**

Price includes parade Bearfest village meal, game ticket and entrance to the evening Poker Night (chips not included). All the great memories are free.

Single package, alumni \$100

You and a guest \$150

The chips have been slung across the table, babel hits your ears, the audience is up and the hands are down. You wait eagerly for the river to flip over its face; you're shot a glare from your opponent. The watch on your wrist seems to be laughing in slow motion; the dealer reaches for two more cards in the deck... burns one. HERE COMES THE RIVER! AND THEN.....

"Always bet on Pi Kappa Alpha~ Zeta Chi."

The stage is set and we're chartered. Come on down and celebrate Zeta Chi's first poker night as an official chartered fraternity. Let your inhibitions go, responsibly, in this glitzy event; thanks to the help of our wonderful Brothers and Alumni Association.

In order to be the best Pike chapter we need all Alumni to show in attendance to this event-- for it will be a requirement--for ZX to win Smythe and Alumni Association to win another Nester. There exist some things in gambling that are not left up to chance; let's show everyone that when it comes to gambling on Zeta Chi nothing is left to chance. Come support the biggest alumni event yet. Reminisce about old memories while making new ones with your brothers at the game and tables.

Good Luck

The men of ZX.
